

## A splash of Easter colour at Silverpoint Court Residential Care Home

**We've really looking forward to the Easter weekend here at Silverpoint Court Residential Care Home.**

Our Recreation and Wellbeing Lead, Lynda has been working her magic and making some wonderful Easter decorations with our residents. These include hanging decorations and brooches, in a colourful array of rabbit, egg and flower designs – they look fantastic displayed in our **Home!**

We are sure the Easter bunny will be visiting to distribute chocolate eggs and hot cross buns over the bank holiday weekend!

*Happy Easter everyone!*
