

A whole lot of love at Silverpoint Court Residential Care Home

We enjoyed a lovely Valentine's Day here at Silverpoint Court Residential Care Home on Sunday.

We gave all our residents a **chocolate rose** and a **Valentine's card** from all our staff at **Silverpoint**, delivered with love, with **love songs** playing all morning.

We decorated all our rooms on all floors with **beautiful hearts**, even our serviettes were cut into heart shapes! All our residents commented on how lovely the rooms looked.

As part of the day, some of our residents enjoyed a **love song singalong with the Funtime Theatre** which was great fun.

It was so lovely spreading the love around our Home and seeing so many smiling faces.

We all enjoyed Valentine's Day
