

African Queen delights residents at Silverpoint Court Residential Care Home

We hosted a Movie Day at Silverpoint Court Residential Care Home on Saturday 26 September, which our ladies and gents always enjoy.

Our residents chose '*African Queen*' from a selection of DVDs and sat back to enjoy the film together.

To accompany the movie, we served **popcorn** and a choice of **old fashioned sweets sparkling drinks** – we had pineapple cubes, fruit salad and rhubarb and custard! The fruit salad and pineapple were the most popular!

Enjoying the movie...
