

Bingo and a furry friend at Silverpoint Court Residential Care Home

Our Silverpoint Court Residential Care Home residents had a great time playing bingo together this week.

We ran four games, with a break after the second, when we were going to stop, but everyone wanted more, so of course we obliged!
We do love our bingo here!

We had three winning lines and three residents who won a **'full house'**! Everyone thoroughly enjoyed themselves and loved the excitement of waiting for their numbers to come up.

We were also delighted to welcome **Michelle** from our night care staff team in with her **lovely her little dog Sweetie**; our ladies and gents loved making a fuss of such a gorgeous boy, who even sat on a few laps. *It was lovely to see the smiles he created!*
