

## Bingo and fruity refreshments at Silverpoint Court Residential Home

On Sunday 3 October our residents enjoyed a lovely game of bingo together and Dorothy, Sheila and Doreen were our lucky winners.

Half way through the game we served cool drinks from our **hydration trolley**, with a drink we named '*The Cherry Kiss*' made from **apple, cranberry** and **fizzy cherry pop**. It went down a storm, with some of our residents even asking for seconds! We also had a choice of **ginger beer**.

Keeping hydrated is so important and we love treating our ladies and gents to these tasty and refreshing creations!
