

## **Birthday celebrations for Fran at Silverpoint Court Residential Care Home**

**On Saturday 9 September we celebrated our resident Fran's birthday here at Silverpoint Court Residential Care Home.**

She had a **lovely cake** made for her, covered in fresh strawberries, which she very much enjoyed, and she was visited by her **son and daughter** who brought her some lovely **presents and flowers**.

Our Silverpoint Care Team sang her '*Happy birthday!*' and she became quite emotional (*which could have been our singing!!*). She thanked everyone for her treats and really enjoyed her special day.

*Many happy returns Fran!*
