

## Birthday wishes for Jean at Silverpoint Court Residential Care Home

**We enjoyed celebrating Jean's birthday recently at Silverpoint Court Residential Care Home.**

**Jean's family came to visit**, bringing all the family's presents with them.

Our birthday girl loved opening her **cards and flowers** out in the sunshine, then at teatime we presented her with a **delicious cake** with candles – singing 'Happy birthday' to her.

Jean said she was overwhelmed at how kind we were at **Silverpoint Court**, and how it truly feels like home.

Chocolate cake heaven!
