Birthday wishes for John at Silverpoint Court Residential Care Home

It was John's birthday on Tuesday 27 June here at Silverpoint Court Residential Care Home, and he turned '73 year young'!

We **decorated his room** and he was presented with a card from all our staff at Silverpoint Court.

We sang a **lively chorus of 'Happy birthday'** for him, with all our residents joining in.

We presented John with a **delicious birthday cake covered in fresh strawberries** (*his favourite!*) - the delighted look on his face says it all!

Many happy returns John!
