

## **Birthday wishes for Lillian at Silverpoint Court Residential Care Home**

**On Thursday 20 April we all sang 'Happy birthday' to Lillian here at Silverpoint Court Residential Care Home, as we all wanted to light up her special day.**

We presented her with a **delicious homemade cake** with sparkler candles, as she celebrated turning *'88 years young'!*

Her room was decorated with **balloons and banners** and she received a card from everyone at Silverpoint Court.

*Many happy returns Lillian, we're thrilled you enjoyed your day!*
