

Board games and nail pampering at Silverpoint Court Residential Care Home

On Thursday 26 October we played board games in the afternoon at Silverpoint Court Residential Care Home with Ella, Jean and Dianne.

*We enjoyed a game of **Ludo, snakes and ladders** and **air hockey** – a great test of strategy and hand-eye coordination!*

After tea time we decided to do some **pampering**, when Jean, Rene, Dianne, Alan and Ken all relaxed and had their nails done.
