

Botcha game and sipping sangria at Silverpoint Court Residential Care Home

We had a wonderful game of Botcha with our residents here at Silverpoint Court Residential Care Home last week.

Botcha

There was lots of fun and laughter to be heard and **Doris was our winner** – everyone gave her a big round of applause.
Congratulations Doris!

Keeping hydrated

Our **hydration trolley** was a feast for the eyes and tastebuds too, as we served **sangria** as well as **Appetizer**. The sangria went down so well that some people had two!

We also had **coconut and jam cakes on offer** and most of our residents came back for seconds as they enjoyed Julie's music playing on our blue tooth speaker.

Crocheted crafts

Well done to **Beryl** who recently finished her **crocheted place mat**, with just a little help sewing it together. Beryl has some trouble with her hand, so making a craft item like this is such an achievement for her – *doesn't it look lovely!*

Balloon games

On Tuesday 10 August we kept active by playing a wonderful game with balloons; we played keep ups, back and fourth and did multiple exercises for fun. With a nice cool drink afterwards!
