

Burns Night celebrations at Silverpoint Court Residential Care Home

Our Burns Night celebrations were in full flow on Thursday 25 January here at Silverpoint Court Residential Care Home as our residents enjoyed traditional Scottish food including the famous Haggis.

We enjoyed singing along to rousing **Scottish music** and our residents had fun **colouring** in themed posters, with some fancy dress for the occasion!

Later in the day we enjoyed games of **balloon tennis** and took part in an **interactive quiz** on Scotland and the life of Robert Burns, which was both fascinating and fun!
