

Bursting with bubbles at Silverpoint Court Residential Care Home

On Thursday 5 November, our lovely resident Mavis enjoyed a spa day here at Silverpoint Court Residential Care Home.

She loved having her **feet massaged in a foot spa**, into which we added some soothing bubbles. A few too many as it turned out! But it was so much fun and it turned into a spa *bubble explosion*!

Mavis thought this was great and we'd never seen her laugh so much!
