

Card games and online quiz at Silverpoint Court Residential Care Home

We've enjoyed a game of 'Play Your Cards Right' with our residents at Silverpoint Court Residential Care Home this week. It's always a good giggle and everyone was very keen to join in.

We have also had fun with an **online quiz called 'Prosper'** which we play using our Smart TV. The quiz links to other **Homes** so we can all see and play against each other, which is brilliant!

We all got involved in answering the **general knowledge questions** – shouting out the answers!

This week it was mostly themed around the month of May, plus questions about pop and movie stars.

It also included a few **fun games** added in, such as one where we had to run around our **Home** finding objects that started with the letters that spelt out 'May Day'. *So funny!*

In the end we managed to get 30 points and were the **winners by a massive 3 points!** *Well done to all our quizzers!*

Quizzing time!
