

## Caribbean capers at Silverpoint Court Residential Care Home

**Last week at Silverpoint Court Residential Care Home, we arrived in the Caribbean, passports at the ready!**

We decorated our room with **tropical fruits, flowers** and **flags**, with **Caribbean music** on all floors to get our passengers in the mood.

During lunch we played steel **drum music**, **stamped passports** and **gave out garlands**. We served **pina coladas** and **banana milkshakes**, and our kitchen team prepared some amazing Caribbean food.

Alan really got into the swing of things; he had a flowery bra on which made everyone laugh!

We had our staff doing the **limbo** and all our residents cheered them on. Our younger team members were fantastic at it....*some of us older ones couldn't get so low, but we gave it our best shot!*

*Everyone said it was so much fun!*
