

Celebrating Chinese New Year at Silverpoint Court Residential Care Home

Our residents joined us 'on deck' for our cruise from Hong Kong on Friday 12 January here at Silverpoint Court Residential Care Home.

There was a great atmosphere as everyone joined in with **chopstick games** and a **lively karaoke** session!

This was followed by a celebration for **Chinese New Year**. We decorated our lounge with **Chinese lanterns** and our ladies and gents enjoyed wearing their themed hats.

They tucked into some beautifully presented **Chinese food** and a few drinks, which went down a treat!
