

Celebrating Easter at Silverpoint Court Residential Care Home

We've had such a wonderful Easter here at Silverpoint Court Residential Care Home.

We really enjoyed decorating our lounge and dining room with Easter decorations, including lots of **bunnies** and our **Easter egg tree!**

Our residents have been busy with crafts too – making spring foam **flower displays** and decorating pretty **Easter bonnets.**

We all enjoyed a jolly **Easter lunch** and our **visits from family members** were very emotional, but so special to see.

On Easter Sunday we hosted one of our popular **Bingo** sessions – and wow what a turn out! We had some super prizes and some very big smiles! *Great fun!*
