

## **Celebrating Mothers Day at Silverpoint Court Residential Care Home**

Our team members Chloe and Roxy made Mother's Day very special for our ladies at Silverpoint Court Residential Care Home as they arranged a box of chocolates for each of them and hosted a little tea party with cakes and tea to celebrate the day.

We gave **Mother's Day cards** to the mums in our Home and for those who don't have children, we gave them '**Queen for the day**' cards, so no one missed out on such a special day; after all, they are our extended family.

*A beautiful day, filled with love and smiles.*
