

Celebrating the 70s at Silverpoint Court Residential Care Home

On went the funky music here at Silverpoint Court Residential Care Home on Friday 6 May, as we celebrated *'Through the Decades - the 1970s'* with our residents.

Everyone got a **hippy headband** to wear and some of our **staff team dressed up for the day** – they looked amazing in their colourful outfits which really made our ladies and gents laugh!

Our Kitchen prepared a delicious **themed lunch** which included prawn cocktail starters, followed by fish chips and gateaux for dessert.

Such a fun day and we enjoyed **hearing stories of the 70s from some of our residents** – *a fantastic trip back in time was had by all!*

1970s fun!
