

## **Celebrating two specials birthdays at Silverpoint Court Residential Care Home**

**The start of September has seen us celebrating two fantastic milestone birthdays here at Silverpoint Court Residential Care Home.**

The first was **Richard H, who turned 90** on Wednesday 4 September. We decorated his room with banners and he loved his birthday balloon.

Singer Nick Brown was at our **Home** to entertain everyone on the day, so Richard enjoyed many happy, musical returns of the day, which was great fun!

The celebrations rolled over to the Thursday, as some of our residents took a trip out to a local venue which was holding a 'live jazz lunch' which they thoroughly enjoyed.

Our lovely resident **Rosemary S turned a wonderful 103** on Friday 6th September. She enjoyed all her birthday cards and not one, but three number balloons bobbing about in her room!

*Many happy returns Richard and Rosemary, we're so pleased you enjoyed your special days.*
