

Chocolate cheese gets the thumbs up at Silverpoint Court Residential Care Home

On Friday 8 January we hosted a Cheese and Wine Party at Silverpoint Court Residential Care Home for our residents to enjoy.

We had a lovely selection of cheeses to choose from; we even had **chocolate cheese**! It sounds strange but it was actually lovely and all our residents enjoyed it after a little encouragement to try it. It turned out to be the cheese everyone liked the most!

As for the wine, it went down a treat and everyone enjoyed a few glasses!

We had lots of cheeses to sample...
