

Chocolate tasting at Silverpoint Court Residential Care Home

There was a treat in store for those with a sweet tooth here at Silverpoint Court Residential Care Home on Thursday 15 October, when we organised a chocolate tasting session for our residents.

We made a very tempting display of all things chocolatey, including **Maltesers, Dairy Milk, orange cremes, Turkish delight** and **mint chocolate creams** – served with a shot of Irish cream. *Delicious!*

Our ladies and gents were delighted to have such a tasty selection to try and enjoyed sampling the different chocolates and Baileys.

A big thumbs up for this activity all around!
