

Church service at Silverpoint Court Residential Care Home

This week we welcomed members of our local church to Silverpoint Court Residential Care Home.

We joined them for some **singing** and they also gave our residents some **musical instruments** to play. We all enjoyed the lovely hymns.

This is going to be a regular activity once a month, with a service of singing and reading from the bible each week as well.

Painting and cuddles

This week some of our residents have enjoyed **painting bird boxes** for our garden. They did a great job and we're sure our feathered friends will enjoy them!

Our ladies also had some 'cuddle time', interacting with our popular **baby dolls**.

All our residents really enjoyed themselves.
