

Coffee morning and birthday wishes for Lillian at Silverpoint Court Residential Care Home

Coffee morning

We had another brilliant turn out for our coffee morning this week at Silverpoint Court Residential Care Home.

We toasted the Queen's birthday with **Baileys coffee** and enjoyed looking over the **Weekly Sparkle** magazine, reading it cover to cover. We covered lots of topics, both funny and serious – a great way to socialise.

Birthday wishes

We celebrated our lovely **Lillian's birthday** this week at our **Home**

We decorated her room and all sang 'Happy birthday!' to her, whilst our Chef made a special **puréed birthday cake**, blended from orange and bananas, which she was delighted with.

She was very happy to have an **indoor visit from her daughter**, which made the day extra special.

Many happy returns Lillian!
