

Coffee morning and music at Silverpoint Court Residential Care Home

On Wednesday 13 October we enjoyed our coffee morning together at Silverpoint Court Residential Care Home.

We loved debating all different subjects and played some music relevant to this week's Sparkle magazine – Cliff Richards and The Seekers!

After our coffee morning we asked if anyone would like a music request, and **Bing Crosby** was chosen and our staff sang with our residents and had a little **dance**.

We also announced the **winners of last week's quiz** – **Flo** won 1st place and received a gold medal and **Alan** won a silver medal for 2nd place.

We all congratulated our winners and thanked everyone for joining in the fun!
