

## Coffee morning and time in the garden at Silverpoint Court Residential Care Home

### Lattes and Sparkles!

We had another great turn out for our coffee morning this week at Silverpoint Court Residential Care Home. It's proving to be a popular event, with Baileys lattes and cream!

We enjoyed very good **conversation and discussions**, using **The Daily Sparkle** magazine which often sparks lots of good memories of the past. We make sure those in their rooms also get involved and enjoy a nice coffee and Sparkle too.

### Enjoying the sunshine

On Wednesday 9 June nobody wanted to be indoors as we had such **glorious weather**!

Everyone wanted to sit in the **garden** and we kept our suntan lotion topped up and sun hats on, using as much shade as possible as we enjoyed being outside.

Our residents voted to listen to **music from the Beatles** and had fun playing skittles, with **ice cold drinks and ice creams all**

round. Lovely!

We love being in our garden
