

Coffee morning and weekly sparkle at Silverpoint Court Residential Care Home

We had a full house for our coffee morning yesterday (20 April) at Silverpoint Court Residential Care Home – all the chairs were taken; We even had to get a few more chairs from the table for residents to sit on!

This week's **Daily Sparkle** had us discussing 'the pound coin' and we asked our residents if they like it or would they rather have the pound note.

We talked about actress **Shirley Temple** and if they could remember any of her films, plus we discussed the suffragettes and the vote for women. Our ladies and gents really enjoyed thinking back to the past and we had a lot of fun.

Bingo and birthday

We also played four games of our favourite – bingo – with a few different winners; They enjoyed playing so much they could have carried on all day!

Happy birthday Lillian

We also celebrated with one of our residents, **Lillian**, who turned 86 years young on 20 April; She had a lovely birthday cake.

Our ladies love a latte and a game of bingo | Happy birthday Lillian!
