

Coffee morning chats at Silverpoint Court Residential Care Home

On Thursday 9 February we held our regular coffee morning here at Silverpoint Court Residential Care Home, featuring the Weekly Sparkle reminiscence magazine which is always very popular.

Our residents had a good **chat about cooking and music** as they enjoyed their drinks, and we also had a long **discussion about food choices for our new menu for Silverpoint Court in the summer** – what our ladies and gents would like to see on it and, just as importantly, what they wouldn't like to eat!

This was very informative and we passed all the information we collected to our fantastic Kitchen Team.
