

Coffee morning fun with Julie Jaye at Silverpoint Court Residential Care Home

Our residents joined our Well-Being Coordinator Julie Jaye for a lovely coffee morning this week at Silverpoint Court Residential Care Home.

This is becoming a popular event and there were plenty of **laughs** being enjoyed and lots of **singing** along to Daniel O'Donnell and Irish pub songs.

The group enjoyed reading from the **Daily Sparkle** and talking about various topics from a bygone age.

This was followed off with a **fun quiz**.

Another lovely social gathering!
