

Coffee morning reminiscence and jokes at Silverpoint Court Residential Care Home

Our new team member Julie enjoyed hosting a Coffee Morning this week at Silverpoint Court Residential Care Home, and she had a good turn out.

Julie **chatted** and **reminisced** about growing vegetables, knitting and the difference between life today and in the past, which everyone enjoyed.

She got everyone laughing along too with **silly jokes** and our residents enjoyed **singing** along at the end of the session to old songs relating to this week's **Weekly Sparkle** – she even got song requests!

Thank you Julie – we'll look forward to our next coffee morning!
