

Coffee with a Sparkle at Silverpoint Court Residential Care Home

Recreation and Well-Being Champion Lynda had another wonderful turn out for her Coffee Morning this week at Silverpoint Court Residential Care Home.

The group read **The Sparkle** magazine from cover to cover and enjoyed lots of discussion about different subjects.

Everyone enjoyed joining in with a **quiz** and listening to **Pat Boone** and **Bing Crosby** tunes – this week's featured artists – whilst they sipped their **Baileys coffees**.

Lynda got a round of applause and a thank you at the end, for all her efforts. *Well done Lynda!*

We made sure our residents either isolating or in bed received a personal visit and their own Sparkle magazine to enjoy too, so everyone felt included.
