

Easter crafts and growing cress at Silverpoint Court Residential Care Home

Easter crafts

Look at our busy Silverpoint Court Residential Care Home residents, decorating their Easter bonnets and making fantastic sheep decorations!

Irene, Jean, Jean and Sylvia all spent time concentrating as they got **creative**, and they enjoyed having a chat and a laugh.

Our sheep are a fantastic – we even named them; the blue one is **Sally**, the purple one is **Claire** and the yellow one is **Lamb Chop**! Brilliant!

Growing cress

We **planted cress seeds** together on Friday 24 March. Lots of our residents joined in and some told us that they did this when they were children and loved it!

We reminded them that the best thing about cress is that you get a lovely reward when it's ready – we can all have egg and

homegrown cress sandwiches! *Yummy!*

Preparing the cress seeds
