

Fancy fifties and fruit cocktails at Silverpoint Court Residential Care Home

Bingo!

Our residents here at Silverpoint Court Residential Care Home love a game of bingo. Our gentleman Tommy was our bingo caller last week, while members of our Activities and Care team helped players tick off the numbers called.

And we enjoyed a wonderful treat last week at the hands of Doris (age 102!) playing the piano to entertain us all – wow!

Through the Decades – 50s style

On Friday 11 March, we enjoyed a coffee morning with some yummy fruit cocktails and appetisers, all served up in true fifties style! Our Julie wore a lovely 50s dress and we had some great chats about toys, washing and shopping in the 50s era.

We listened to 50s music and had a lunch of spam fritters, chips and beans or the classic corn beef hash.
