

Fathers Day celebrations at Silverpoint Court Residential Care Home

For Father's Day we put on a cheese and wine afternoon for our gentlemen here at Silverpoint Court Residential Care Home.

Each of them received a Father's Day **card and chocolates**, and we listened to some **rock and roll music**. We also played some **darts and air hockey** and everyone really enjoyed themselves!

For those who wished to stay in their rooms, we brought the cheese, biscuits and wine to them and had a little chat so they could still join in the fun.

Our residents have also been keeping a keen eye on our **garden**, watering the veggies and plants – *and thank you to Ella and Sheila for keeping the feed topped up for our visiting feathered friends!*
