

Firework paintings at Silverpoint Court Residential Care Home

We had a lovely afternoon making firework paintings last week here at Silverpoint Court Residential Care Home, all ready for bonfire night.

Our residents worked free-hand with paint brushes to create their pictures and also used our snipped toilet roll tubes to print colourful fireworks on their paper. *The results were great!*

We also enjoyed **talking about firework night traditions** and all **our favourite types of fireworks**. *We can't wait for 5 November!*
