

French themed birthday wishes for Vera at Silverpoint Court Residential Care Home

Vera enjoyed celebrating her 90th birthday with us at Silverpoint Court Residential Care Home on Tuesday 9 May.

We brought France to Vera for her birthday as it was one of her favourite places when she was younger.

We played **French music** and decorated our dining room with **French flags**. Vera spent a lot of time in the **Louvre art gallery**, so we also put lots of pictures everywhere, so she could **reminisce**.

Our birthday girl said she'd had a lovely birthday – *many happy returns of the day Vera!*
