

From bowling to pampering at Silverpoint Court Residential Care Home

We've been busy here at Silverpoint Court Residential Care Home over the last week;

Bowling

On Tuesday 7 October we enjoyed some **bowling together in the afternoon**, testing our aiming skills and watching each other's shots.

It was great fun and in fact each of our resident players won a game, *so they were all winners!*

Bingo

On Friday we hosted a **bingo session** which was packed out with our residents!

We asked if anyone would like to be the bingo caller and Beryl said she would love to, so we set everything up and Beryl was amazing!

We enjoyed four games; Jean won a pumpkin night light, Dorothy won a teddy, Marjorie won sweets and Doris won bubble bath.

Everyone said that **Beryl** was the '**Queen of bingo**' and she got a fantastic round of applause at the end. *Well done!*

Karaoke

Look at our lovely **Dunja** singing '*Sweet Caroline*' to everyone. All our residents said what a lovely voice she had. **Joyce** was singing to her doll and everybody joined in – *great fun!*

We also served **milkshakes** all round – **strawberry and banana this week** which were very popular as some of our residents had two! *Yum yum!*

Pampering

On Monday 11 October we gave some of our lovely residents some **hand pampering**.

Sheila, Joan, Joyce, Bert, Flo, Jean and **Dorothy** loved having their **nails done** and enjoyed a chat whilst they were having them pampered.
