

FRUIT PUNCH AND BINGO AT SILVERPOINT COURT RESIDENTIAL CARE HOME

Posted on September 28, 2021

Keeping hydrated

On Thursday 23 September we were excited to serve a choice of fruit cocktail punch or appetizer for our residents at Silverpoint Court Residential Care Home.

It was a hot day and most of our residents enjoyed two drinks which went down very well and they all said they knew when refreshments were approaching as they could hear the **70s music** playing!

Everyone loved our **beer sunglasses** as you can see! Our ladies and staff members had fun trying them on and enjoyed a good giggle. We have a large bag of funny sunglasses, so every week we'll get a different pair out to **make our residents laugh**.

Bingo

We had a full house for **bingo** on Friday, with **15 residents** in our lounge ready to play! John, Doreen, Marjorie and Joyce were all winners and were presented with **prizes** – small sweets for a

line and a larger prize for a full house such as bubble bath, teddies, glasses cases and lots more!

Great fun!
