

Gardening and enjoying the outdoors at Silverpoint Court Residential Care Home

Gardening

We enjoyed some gardening together on Friday 19 May at Silverpoint Court Residential Care Home.

Our gents got **busy tidying up** and **filling our bird feeders**, all ready for the summer – *good job!*

Resident outing

Our lovely resident Irene had a **super day out** on Saturday 20 May. The sun was shining and she enjoyed **looking at all the flowers and birds** on her route; we also found a very large, posh house that we fancied...*oh, that was Silverpoint Court! Ha!*
