

Halloween bats and flower arranging at Silverpoint Court Residential Care Home

Brilliant bats!

Last week we had a fun time crafting some bats ready for Halloween here at Silverpoint Court Residential Care Home.

Our ladies **created their bats** out of a choice of silver, gold and black coloured card – adding wings and googly eyes. *They all did brilliantly!*

Beautiful blooms

Two of our wonderful ladies thoroughly enjoyed spending time doing some flower arranging last week too. They spent time sorting through the individual blooms which included **roses and gerbera**, to create their beautiful displays. *What a gorgeous splash of colour.*

Hydration trolley

Our hydration trolley boasted **slushy cocktails and tropical milkshakes** last week! Our residents loved the cool and tasty

refreshments.

We also had our **resident pianist Doris playing a few songs on the piano** in our lounge. She really enjoyed herself and there was lots of laughter, with the added bonus of some singing too!
