

Halloween fun at Silverpoint Court Residential Care Home

Fantastic fun

What a fantastic day we had for Halloween this year at Silverpoint Court Residential Care Home!

We dressed the dining room fit for a **spooky Halloween feast**, complete with a **scary Hydration Trolley**. Our ladies and gents chose from **'blood and guts' ginger beer** and **red lemonade**.

Everyone wore Halloween themed hats or devils' horns – it was a good laugh everyone said how lovely the **decorations** looked.

Bowls and skittles

It wouldn't be Halloween at **Silverpoint Court** without a game of **scary bowls**!

Our residents competed to see who could get their bowls closest to the black cat; they thought this was great fun and they all did extremely well.

Then a little later after a nice cup of tea, we enjoyed a game of skittles. Our ladies and gents said how they had enjoyed everything and thanked everyone for a day they will never forget – it was very emotional.

Bingo

It was a full house for **bingo on Sunday**, with lots of winners and lovely prizes. Well done Caroline, Jean, Alan, Doris, Doreen and Beryl – who also offered to be the bingo caller! *Thank you for your help Beryl.*

Nail pampering

On Monday 1 November Caroline and Beryl enjoyed a **pampering hand massage** and **manicure**. *Don't they look lovely!*
