

Halloween party and Alans 90th birthday at Silverpoint Court Residential Care Home

We had the most amazing day on Friday 28 October when we held our Halloween party at Silverpoint Court Residential Care Home.

We decorated our lounge and dining room and welcomed a wonderful singer who really got our residents clapping, dancing and tapping their feet, which was lovely to see.

We had a delicious **white chocolate fountain** for everyone to enjoy, with fresh fruit, marshmallows and sprinkles to add on the top. Yum! We also served crazy coloured fruit juices and fizzy non-alcohol wine and our staff all joined in.

We had lots of **fun dressing up** too, including some very jolly pumpkins!

It was also Alan's 90th birthday and everyone sang '*Happy birthday*' and made a fuss of him, as he enjoyed the Halloween entertainments in his Red Devil horns! He thanked everyone for an amazing day!

It was such a fantastic day and everyone said they will never forget it as it was so much fun!
