

## Happy birthday Jean at Silverpoint Court Residential Care Home

**Today at Silverpoint Court Residential Care Home (6 July) we are celebrating our lovely lady Jean's birthday!**

Jean received lots of cards and presents and a specially made birthday cake. Our residents and staff sang "*Happy Birthday*" to Jean as we presented her with her cake after lunch.

With a cheeky giggle, Jean said it was wonderful and she's very happy to turn 21 *again*!
