

Holiday memories and afternoon tea at Silverpoint Court Residential Care Home

On Wednesday 2 June our residents at Silverpoint Court Residential Care Home enjoyed a relaxing afternoon in the garden, talking about memories of holidays and day trips.

Our Recreation and Well-Being Champion Lynda kept the chat flowing with a **book of images from the past**, which made great discussion topics.

Everyone enjoyed being outside in the sun together and then came inside for a **lovely afternoon tea**, complete with pretty porcelain cups and saucers, *and cake of course!*
