

Hong Kong cruise preparations at Silverpoint Court Residential Care Home

Our residents have been getting ready to set sail on our virtual cruise here at Silverpoint Court Residential Care Home.

'**Nellsar Cruises**' are setting sail for sunnier shores, as everybody deserves a holiday – and we think our virtual travels to sunnier shores will do us all the world of good!

Our virtual ship will embark from **Hong Kong on the 12th of February**, which coincides with **Chinese New Year**. So our ladies and gents have been busy **painting hats** and **making flags** for the occasion.

All aboard, Hong Kong here we come – we're looking forward to some fun!
