

## Iced drinks and magic painting at Silverpoint Court Residential Care Home

**Everyone at Silverpoint Court Residential Care Home was very pleased to see our hydration trolley on Thursday 24 June!**

Everyone was asking "What have we got today Julie?" – she was serving **iced tea** and **iced coffee**.

Iced coffee was the favourite of the day, with lots of our residents agreeing it was delicious!

During the day, we also set two of our residents up with '**magic**' painting, which gave them big smiles on their faces!
