

## Local children thank Silverpoint Court Residential Care Home

**Some local children have used chalk to write a lovely message for our Silverpoint Court Residential Care Home staff, out on our front pavement.**

The '**Thank you Silverpoint Care Staff**' message, with hearts and a rainbow makes us smile every morning and we wanted to share it with everyone; we hope it puts a smile on your faces like it does ours!

*A big thank you to the local children for thinking of us.*
