

Milkshake trolley gets the thumbs up at Silverpoint Court Residential Care Home

On Thursday 13 May we took our Hydration Trolley around for our ladies and gents at Silverpoint Court Residential Care Home.

We served delicious **chocolate and strawberry milkshakes**; chocolate was a real favourite and most of our residents had second helpings!

Whilst she was waiting for her daughter to arrive for a visit, our lovely resident Caroline helped our Recreation and Well-Being Champion Julie get the trolley ready – *and how lovely it looked!*

She also enjoyed a **jigsaw puzzle** - with our Carers popping in and out to help with the pieces. Caroline said she had '*a very pleasant afternoon*'.
