

Milkshakes and football at Silverpoint Court Residential Care Home

We love keeping our Silverpoint Court Residential Care Home residents well hydrated with delicious drinks – sweet iced coffee and banana milkshakes were on the menu this time around, which went down very well.

Saturday bingo and England match

Everyone was in great spirits on Saturday 3 July, ready for the football!

We enjoyed some games of **bingo** to get everyone in the mood and decorated our dining room with **England flags and banners** too!

Our tree got treats of marshmallow and cheese biscuits in little bags to give out, with flags and hats.

Everyone got so excited with the **4 England goals**, with lots of shouts of encouragement! *A great result!*

We had a little drink to celebrate!

Well done England!
