

Mothers Day music and treats at Silverpoint Court Residential Care Home

Our Silverpoint Court Residential Care Home ladies enjoyed a visit from an Elvis tribute singer on Mother's Day, Sunday 10 March, and danced and sang the day away!

They enjoyed a relaxing afternoon with a **delicious cream tea** with fresh scones, jam, cream and a nice cup of tea. Our ladies also received **flowers** to celebrate the special day.

A wonderful afternoon was had by everyone.
